

Future Plans:

1. **Babies Home:** acquire a property dedicated to caring for babies to decongest the current home for older children.
2. **Community School:** building a Community School for Pre-Primary and Primary school.
3. **Food Security:** acquire land for backyard farming – vegetables, corn and cereals.
4. **Vocational School:** for equipping young adults with vital life skills, job-creators and not job-seekers.

Tower of Faith Uganda

Tower of Faith Uganda is a ministry registered under Tower of Faith Community Church Ministries, based in Mbarara, Western Uganda. **Reg No. : 80020000419984**

Established in 2009 by Bishop David Kamanzi as a rescue center for children-at-risk; street children, girls in sexual slavery and victims of gender-based violence. Today, TOF has evolved into a **Community Transformation** organization focused on 3 pillars:

- Church
- Childcare
- Community Development

CHURCH

- Quarterly evangelism and church planting missions to unreached rural areas.
- Hundreds converted and baptized in water.
- Presiding over a growing network of 23 churches in Western and Central Uganda.

CHILDREN

- Taking care of 43 children.
- 5 are babies 3 – 9 months.
- Rescued from harsh streets and abandoned by young mothers.

COMMUNITY DEVELOPMENT

- Reach out to 20 widows (80 children) of HIV/AIDS under Winning Women program
- Poultry and Cow Projects
- Backyard Farming for Food Security
